DETAILED ACTION

The following is a response to the amendment received on March 17, 2006 which has been entered.

Response to Amendment

Claims 1-6 and 10-15 are pending in the application. Claims 7-9 are cancelled.

-The replacement drawing filed March 17, 2006 has been approved.

-The 102(b) and 102(e) rejections of claims 6 and 10-15 has been withdrawn due to applicant amending claim 6 with limitations not disclosed by the prior art used in the rejection.

Allowable Subject Matter

Claims 1-6 and 10-15 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or render obvious a motivation to provide for:

-(as to claim 1) a multi speed transmission having seven torque transmitting mechanisms wherein a first mechanism connects a member of a first or second gear set with a stationary member, a second mechanism connects a member of the second or a third gear set with a stationary member and a third mechanism connects a member of the second or third gear set with a stationary member and in combination with all the remaining limitations of claim 1.

-(as to claim 6) a multi speed transmission having a first member of a first gear set with a direct continuous connection with a first member of a second gear set and a second member of the first gear set with a direct continuous connection with a first

member of a third gear set and in combination with all the remaining limitations of claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
